INDEX Volume 5 January – December 1970

A

AAGP, now American Academy of Family Physicians 11: 137
ABO incompatibility, phenobarbital for 10: 123
Abortion, AMA action on 8: 19
Adams, J. M.: Persistence of Measles Virus and Demyelinating Disease 5: 87
Addiction, in newborn, management of 8: 101
Adenosine triphosphate, and myocardium 6: 49
Air pollution, types of, and clinical effects 5: 63
Alcoholism, in etiology of chronic pancreatitis 11: 58
Alford, C. A.: Immunologic Status of the Newborn 6: 88
American Board of Medical Specialties, wider role for 7: 97
Anemia, hemolytic, differentiation in, therapy for 4: 104
Aneurysm, x-ray of, by subtraction technique 9: 124
Antibiotics, disc tests of, reliability of 2: 9, 91
Arias, I. M.: Bilirubin Metabolism: Research Aspects 1: 27
Atherosclerosis, Fredrickson's types 11: 121
Autoimmune idiopathic thrombocytopenic purpura 5: 100
Autopsy service, multipurpose; should your hospital have one? 8: 77

B

Bach, F. H., *jt. au.*: The Genetics of Histocompatibility 8: 33
Bach, M. L., and Bach, F. H.: The Genetics of Histocompatibility 8: 33
Baker, J. W.: For the Surgeon . . . For the Physician [Edit.] 10: 9
Behrman, S. J.: A New Dimension in Management of Labor [Edit.] 7: 9
Berg, R. B.: Early Discharge of Low-Birthweight Babies 10: 149
Bilirubin, metabolism of 1: 27
Blood, components of, vs whole blood transfusion 4: 63
  donor, hepatitis antisera for testing 12: 19
  irradiation of, extracorporeal, technique of 2: 83
Blood banks, operation of 4: 64
Bone, calcium in metabolism of 5: 74
Brain, malnutrition and development of 5: 33
Brain damage, from congenital cytomegalic inclusion disease 9: 111
Braunwald, E.: The Sympathetic Nervous System in Heart Failure 12: 31
  Symposium on Heart Failure [Edit.] 4: 9
Breast, contralateral, management of cancer in 9: 8, 101
Bronchitis, chronic, pathogenesis of 4: 46
Buchwald, H.: The Lipid Clinic Concept 11: 119
Bukantz, S. C.: Cardiac Failure – A New Series [Edit.] 2: 10
Burn, severe, total body injury in 4: 110

C

Calcium, role of in bone homeostasis 5: 74
Caldeyro-Barcia, R.: Fetal Malnutrition: The Role of Maternal Blood Flow 6: 33
Cancer, breast, contralateral, management of 9: 8, 101
  ethmoid, tomograms in 10: 82
  gastric, vs gastric ulcer 10: 55
  immunology of, antigen specificity in 1: 9, 45
  lung, radiotherapy for, in the tubercular 11: 103
  skin, chemosurgery for 12: 40
Cardiac failure. *See* Heart failure
CARDIAC FAILURE series. *See under authors*:
  Braunwald, E. (sympathetic nervous system) 12: 31
  Davies, R. E. (biochemistry) 6: 49
  Davis, J. G. (salt and water retention) 10: 63
  Langer, G. A. (digitalis) 8: 49
  Laragh, J. H. (diuretics) 11: 43
  Perloff, J. K. (clinical manifestations) 9: 43
  Rudolph, A. M. (children) 7: 44
  Sonnenblick, E. H. (myocardial ultrastructure) 4: 35
Carpeting, as fire hazard in nursing homes 3: 22, 8: 118
Carter, C. O.: Multifactorial Genetic Disease 5: 45
Cell membrane, transport, genetic defects of 11: 92
Chapman, J. S.: The Atypical Mycobacteria 7: 69
Chemosurgery, for skin cancer 12: 40
Children, heart failure in, hemodynamics of 7: 44
Chromosomes, autosomal, defects of 2: 39
  sex, defects of, clinical effects of 4: 88
Chronic airways obstruction 4: 46
Cigarette advertising, on TV 7: 95
Circulation, maternal, and fetal malnutrition 6: 33
Clinic and Classroom
  The Extern: What Manner of Man? 4: 123
  How Best To Test? Board Asks 5: 117
  Molding of the Intern: A Study in Contrasts 8: 110
  More Physicians in Less Time at Lower Cost 6: 99
  Perspective on Licensure: Still 'Provincialism Run Riot' 2: 117
  Sentiment Grows To Make MD Keep Up or Be Dropped Out 4: 119
  Specialties Board Sheds Advisory for Stronger Role 7: 97
Corday, E., Gold, H., and Vyden, J. K.: Gastrointestinal Vascular Syndromes 9: 57
"Critical periods," concept in child development 11: 83
Cronkite, E. P.: Extracorporeal Irradiation of the Blood 2: 81
Cytomegalic inclusion disease, congenital, cerebral dysfunction from 9: 111

D

Danes, B. S.: The Use of WBC Cultures in the Study of Genetic Metabolic Diseases 2: 52
Davies, R. E.: Biochemical Processes in Cardiac Function 6: 49

BOUND VOLUMES OF

HOSPITAL PRACTICE

1970

SPECIAL PREPUBLICATION PRICE $14.00

For permanent inclusion in your library, order the 1970 volume, attractively bound in hard cover, book-cloth buckram. Each volume is imprinted in gold with the name of the individual or institution ordering. A subject-author index is included for easy reference.

A special prepublication price of $14.00 postpaid applies to all orders received by January 10, 1971. After that date the price will be $16.50. Volumes are due to be shipped by January 30.

HOSPITAL PRACTICE, 485 Madison Avenue, New York, N. Y. 10022

Yes, I would like to order a bound volume of HOSPITAL PRACTICE, 1970.

I am enclosing a check for $14.00_____ purchase order for $14.00_____

I would like the following name to be imprinted on the cover:

_____

Please ship the volume to:

Name_____

Address_____
